

Additional Notes on Gerych, see report dtd 15 Feb 1965

According to Ge :

1. Ge met Mykola H. three times. Last time at Kniselo, about two weeks before Ge's departure. Mykola came to the house of Ge's daughter where Ge was staying, and told him that soon his son (B.) will come with two others. They came by car to see Ge and to tell him something important. It was about 22.00 hrs. 20 minutes after Mykola left, B arrived with two others. B had a beard. The talk lasted about 20-30 minutes and then they left. All ten points were dictated to Ge and he wrote them down on a Batory<sup>paper</sup>-slip he had on him. The talk itself was conducted as described in the report dtd 15 Feb, in darkness.

Ge regarded the whole affair as some sort of provocation.

2. Mykola H. was known to Ge from long ago. Now Mykola was working in KHODORIV, had a nice house, and seemed to be well off under the circumstances. The son-in-law of Ge and his other relatives told Ge that Mykola H was a communist.

Mykola H asked also about whereabouts of Mr L. Ge replied that Mr L. lived in the States but did not specify anything at all.

3. Without mentioning any names Ge told Rev KUSNIR of ZUK about the request of three underground people to help them.

4. Ge was not allowed to go to Carpathian Mountains. One of his daughters works as teacher in ROZDOL, her ~~husband~~ husband is employed as truck driver with "a governmental enterprise" and often goes to other oblasts.

The other daughter of Ge lives in KNISLO, her mother is partly paralyzed and therefore the daughter is allowed to do only a part-time job in the kolhosp. Ge's son-in-law is working in kolhosp and partly also as carpenter. They have two boys, one has been just drafted

into army and serves in MUKACHIV, Carpatho-Ukraine. The other boy goes to school.

5. In 1966 Ge plans to visit Ukraine again. As <sup>Public</sup> Notary and representative of a travel agency Ge met KHOMENKO and was going to see him again. KHOMENKO ( of Soviet Embassy in Ottawa) told him that his child remained in Kiev. Someone in the Ukraine ( or maybe Khomenko) told Ge that there had been denunciation against Ge sent to the Soviet Embassy in Ottawa. These were made by some orthodox priest from Canada.

6. According to Ge , someone in Khodoriv was telling him that Mr L. had ~~had~~ been to Moscow on a normal "legal" way and safely returned back to the States. He wanted to know whether this was true because there were such rumors. Ge replied that in his opinion this was a lie.
